Employment Agreement

TEST CASE 2: role, compensation, probation, notice and confidentiality

SYNTHETIC TEST DOCUMENT - fictional parties and terms; for software testing only; not a real contract or legal advice.

Parties and role

This fictional employment agreement is dated 15 October 2026 between Northstar Labs Pvt. Ltd. (Company) and Riya Sen (Employee). All entities and people are invented.

1. Role and start date

The Employee will work as a Junior Data Analyst starting 1 November 2026 and report to the Analytics Manager.

2. Compensation

The Company will pay gross compensation of INR 6,00,000 per year, paid in twelve monthly installments subject to applicable deductions.

3. Working hours

The usual schedule is Monday through Friday, 10:00 AM to 6:00 PM, with a one-hour break. Work schedules may be adjusted after written discussion.

4. Probation

The first three months are a probation period. At the end of probation, the Company will notify the Employee in writing whether probation is completed or extended.

SYNTHETIC TEST DOCUMENT - fictional parties and terms; for software testing only; not a real contract or legal advice.

Confidentiality, notice and leave

5. Notice during probation

During probation, either party may end employment by giving 30 calendar days written notice or salary in lieu of the unserved notice period.

6. Notice after probation

After probation is completed, either party must give 60 calendar days written notice. The agreement does not describe how a notice-period waiver is approved.

7. Confidential information

The Employee must not disclose non-public Company business, customer or security information except as authorized for work or required by law.

8. Work product

Work product created by the Employee in the course of assigned duties must be disclosed to the Company. The agreement does not spell out treatment of pre-existing personal projects.

9. Leave

The Employee receives 18 paid leave days per calendar year. The agreement does not explain whether unused days carry over.

10. Legal questions

This synthetic example does not identify a governing jurisdiction or decide the legal validity of any employment term.
