Website Design Services Agreement

TEST CASE 3: payment arithmetic, deliverables, dates and termination

SYNTHETIC TEST DOCUMENT - fictional parties and terms; for software testing only; not a real contract or legal advice.

Scope and payment

This fictional services agreement is entered on 10 October 2026 by Blue Maple Studio (Client) and Pixel River Design (Provider). The businesses are fictional.

1. Services

The Provider will design five website pages, prepare a basic style guide and deliver final design files in PDF and PNG formats. Software development and hosting are excluded.

2. Delivery date

The Provider will deliver the first draft by 20 November 2026 and final files by 5 December 2026, provided the Client supplies feedback within three business days after each review.

3. Fee

The total project fee is INR 1,20,000. The Client will pay 40 percent at signing and 60 percent within 15 calendar days after receipt of the final invoice.

4. Late payment

Overdue undisputed invoices accrue a charge of 1 percent per month, calculated on the outstanding amount. The agreement does not specify a daily calculation method.

Changes and termination

5. Changes to scope

A change to the five-page scope must be agreed in writing by both parties before additional work starts. Any revised timeline and fee must be recorded in that change approval.

6. Client materials

The Client must provide logos, copy and approved images by 25 October 2026. Delays in receiving these materials may delay the delivery dates.

7. Confidentiality

Each party must protect non-public project information and may use it only to perform this agreement.

8. Termination for convenience

Either party may terminate the agreement for convenience with 30 calendar days written notice. The Client must pay for work completed and approved expenses incurred up to the termination date.

9. Source files

After full payment, the Provider will deliver the final design source files. The agreement does not list third-party font or stock-asset licence terms.

10. Disputes and limits

The agreement does not name a governing jurisdiction, dispute forum or process for resolving a disagreement.
